

The lending center in Flesberg

Agreement for lending of equipment

1. All equipment can be borrowed for free. There must be a guarantor over the age of 18 who is the borrower .
2. The equipment must be used in accordance with current regulations and the recommended safety equipment must be used.
3. The volunteer center or Flesberg municipality is not responsible for accidents and damage as a result of borrowing equipment.
4. Equipment that is not returned or damaged must be replaced in its entirety by the responsible borrower.
5. In the event of an accident or damage to equipment, this is reported to the Lending Center.
6. You must treat the equipment carefully and clean / dry it after use.
7. Further information about opening hours, equipment, use and loan hours can be found at www.flesberg.frivilligsentral.no

I am familiar with the rules for borrowing equipment.
